Chapter 7 – Registration Rules, Regulations and Policy

Rule 700 Registration and Team Formation: The following rules, regulations, and policies apply to the registration of players and team officials, and to the formation of teams within the District.

Rule 700.1 Interfaces: The main responsibility for the registration Program rests with the Club Registrars. The chain of communication and data submittal is from the Club Registrar to the LISA Registrar to the BCSA Registrar.

Rule 700.2 LISA Registration Committee: The Registration Committee is a standing committee of the Board of Directors and is chaired by the LISA Registrar or a designated LISA Director. Club Registrars form the membership of the committee. The committee shall meet at least twice in each season in order to monitor the registration program and to review the registration procedures, rules, regulations and policies and to make recommendations for changes.

Rule 700.3 Proprietary Rights: All registration data provided by member clubs concerning players and/or teams within a club is considered proprietary. The information may only be used for the purposes of confirming compliance with the various rules and regulations of the LISA and the BCSA. The release of data beyond that point, or for any purpose other than approved in this section, must first be approved by the Board of Directors of the Club concerned.

Rule 701 District Zoning and Club Boundaries: The following policies apply to the rules as outlined in the LISA Bylaws, Article 13.

1. Clubs registering players must comply with the rules of zoning. Zoning means that each club has a vested interest in the players who reside within their territorial boundaries. The District Board is the responsible authority administering the zoning rules as outlined in the District Bylaws (Article 13).
2. Players who play outside their home club territorial boundaries are considered transfers unless they have been declared otherwise by the Board.
3. **Poaching** Any team, which, through its responsible officers or representatives (e.g. parents, scouts) attempts to induce a registered player of a team under the jurisdiction of the LISA to:

 - b. leave his or her home club to join another club as a transfer player,shall be deemed to have committed an offence and shall be dealt with by the Board.

1. **Transfer Notice:** When a player registers to play at a club other than their home club, they must complete a "Notice of Transfer" form unless they have received an exemption from the Board. There is a \$10.00 annual fee for processing and filing in-district transfer forms. This form continues to apply after the October 15 deadline when BCSA transfer forms become applicable for the transfer of players between teams.
2. **Grandparented¹ Player Status:** In order to qualify for "grandparent" status, a player must make application on the approved form. Application for this status must be completed and processed before the player plays in any league or cup games. Once the status has been approved, there is no need to reapply until there is either further change in

3. **Coaching Exemption:** The Board must be satisfied the Coach is the bona fide “head coach” of the team. A signed application for exemption must be received before beginning the season and the application must be submitted in each playing season.
4. **General Exemption:** The Board will not consider either distance, travelling time, school affiliation, friendship or kinship as sufficient reason, in and of itself, to justify granting an exemption from transfer status.
5. **Home-stay Exemption:** The Board may grant an exemption to a home stay or visiting student (who might otherwise be a transfer) to allow them to play in the club in which their home stay parent is a member. A written application for exemption must be submitted to the LISA.
