

# **MASTER RE-SCHEDULING NOTICE**

## **March 4/5, 2023**

The championship finals in the 57<sup>th</sup> annual Island Invitational Cup take place this weekend. The LISA district will host the U14, U16 and U18 finals for both genders. The Upper Island will host the U15 and U17 finals. However, because of snow and freezing temperatures over the weekend the scheduling of the finals has to be revised. Match day, start time and fields will be confirmed shortly.

Three of LISA's Island Cup semi-finals were not played this past weekend. Their re-scheduling is also under discussion. LISA will contact the teams and clubs involved.

The Island Invitational Cup championship finals and semi-finals are identified in this re-scheduling notice in red font: **ISLAND CUP FINAL** and **ISLAND CUP semi-final**. In addition there are some semi-finals in the Lower Island District Cup that were not played this past weekend. They have been re-scheduled for this weekend and are also identified in red font: **District Cup semi-final**.

At this time of the season, with schedules being changed on a weekly basis, you must contact your opponent during the week to make sure they are aware of the re-scheduling.

Once a team has played in the District Cup they can no longer play any league games that will count in the standings. For those teams that have been eliminated from the District Cup LISA has been scheduling games to keep them playing each week until the end of the *Lower Island* season. That end of the season is this weekend, March 4/5 – except for those teams playing in the District Cup finals, March 11/12.

NOTE: Teams playing in all LISA-scheduled games, including those that do not count in the standings, must report their scores to their LISA score recorder on the day the game was played. And if they do not play a LISA-scheduled game they must report why.

League champions are decided by applying LISA's Rule 303 Determining League Winners. See Chapter 3 on the LISA website. (ABOUT >Rules > LISA's Constitution, Bylaws, Rules & Regulations) *Once LISA declares a league champion the result of any subsequent game can not change the league winner.*

## **BOYS**

**Boys Under-14 Tier 3** -- on Saturday, March 4, play the following:
