The game sheet must contain the signature of a team official in charge of the team. It is the responsibility of an opposing team to obtain a copy of the game sheet from the referee. The game sheet must be signed by the referee.

Section 7 – PROVINCIAL "A" CUP PLAYDOWNS

7.1 Playdown Format

1. BCSA Provincial "A" Cup Playdowns will take place at the U14, U15, U16, U17, and U18 divisions respectively. The WCL Committee will determine the dates for the "A" Cup Playdowns in consultation with BCSA and distribute the information prior to the start of league play.

Any team seeking a postponement must do so by submitting the application, in writing, to their home district. If the club's host district approves the district shall submit the application to WCL Committee. Only in an extraordinary circumstance will a postponement be

- approved. (In most cases, a simple shortage of players due to a conflicting event is not sufficient reason.)
3. The format will be a single knockout seeded draw based on standings from “competitive matches”.
 4. Duration of Games:

<u>Div.</u>	<u>Regulation Time</u>	<u>Extra Time</u>
U18	45 minutes per half	N/A
U17	45 minutes per half	N/A
U16	40 minutes per half	N/A
U15	40 minutes per half	N/A
U14	40 minutes per half	N/A

5. Games Ending in a Tie: In the event that the two teams are tied on goals at the end of regulation time, the match will be decided by kicks from the penalty spot according to FIFA rules.
6. Youth-to-youth permits are not valid for any Provincial “A” Cup playdown match.
7. Protests: Shall follow the rules as outlined for league games. In the event of a successful protest, in which a replay is to be ordered, the WCL Committee may order the game to be played at any time leading up to the “Island Final”. The WCL protest fee is set annually and must accompany the protest in writing. Protests must be filed within 48 hours after the end of the match. In the event the Protest is upheld, the Protest fee will be returned.

Section 8 - GAME OFFICIALS FOR PROVINCIAL “A” CUP PLAYDOWNS

8.1 Game Officials

1. The home club is responsible for supplying and paying the referee for all matches except the “Island Final”. The host district is responsible for assigning the officials for the “Island Final”. When the site of the match is switched to a field being supplied by the “visiting” club the original “home” team’s club must either supply the referee or reimburse the “visiting” club for supplying the referee.
2. Assistant Officials: It is strongly recommended that all Provincial “A” Cup Playdown matches have three officials; that is, one referee and two uniformed assistants to run the lines. Such arrangements are the responsibility of the home club, although it may seek assistance from other associations. If assistant referees are not assigned to run the lines it is the responsibility of the two teams involved to supply the required volunteers. When non-uniformed volunteers run the lines they are to follow the referee’s instructions, they are to be respectfully treated as game officials and, in turn, must act as neutral officials the entire game. (No coaching or instructing is allowed while acting as a game official.)

3. Qualifications of Officials: All game officials and assistants must be BC Soccer registered officials (at the level required) to officiate the match. This does not apply to those who volunteer as officials when the assigned officials do not show up or if assistants have not been assigned.
4. Conflict of Interest: No game official (referee or assistant) is to be assigned to a Provincial “A” Cup Playdown match who may be perceived to be in a position of a conflict of interest. This definitely includes, but is not limited to, game officials who have family members or close relatives on either team (the “team” includes players and all team officials), and game officials who used to coach or manage either of the teams. If in doubt, assign a different game official; do not take the chance

Section 9 - League Pick Ups

9.1 General Procedures

- (a) A team may permit up to three BC Soccer registered players to bring their roster up to the number of players on the team's affiliation form for the current season, or up to a maximum of 16, whichever is lower. However, teams may not permit players to replace players under suspension.
- (b) The purpose of pick ups is only to allow teams to have enough players to compete in the league. Teams are not allowed to strengthen their roster by dropping players to pick up stronger ones.
- (c) Any team attempting to release a player from their roster to make room for a permitted player will face disciplinary action.
- (d) The WCL shall grant a player registered with a Lower Island Soccer Association or an Upper Island Soccer Association team permission to play for a WCL team **of their age or older age who;**

 3. is a lower tier player permitting to the same age or higher age WCL team from the same club
- (e) The WCL shall NOT grant a player registered with a WCL team permission to pick up to another WCL team of the same age. - (f) Players from BCSPL are not eligible for permitting in the League.
- (g) Permission is contingent on the player receiving the **consent of their parent team** with which they are registered (a.k.a. releasing team).
- (h) Any player requesting a pick up must apply for permission by completing a pick up form supplied by the League (See Appendix A). The application form bearing the consent of the releasing team must be submitted to the Youth District Designates prior to the game for which the pick up will be used.
- (i) Pick ups will be allowed for league games. Pick ups shall NOT be allowed for WCL, or Provincial Cup games— specifically no permits in WCL playdowns or finals.

Appendix D – Severe Weather Game Cancellation Protocol

Occasionally, games may have to be cancelled ON GAME DAY due to severe weather: snow, unsafe driving conditions, road closures, field closures, and ferry closures. Unfortunately, cold, wet and windy conditions are a part of winter soccer!

In this order:

1. When severe weather is in the forecast and fields have not been closed, team officials in the affected communities are to call the opposing team's officials the night before the game to discuss.
2. Both teams' officials are to notify their respective players/parents and have them be prepared for a cancellation or to leave on short notice if necessary.
3. In the morning, the host team is to verify field condition, adhering to the field open/close decision of the host club.
4. Team Officials from both teams to look up the Drive BC website at drivebc.ca and check the map and webcams to assess travel routes to the game location.
5. Team Officials from both teams to look at Environment Canada's website at weather.gc.ca/canada_e.html, to determine current and forecast weather conditions.
6. Team officials to make contact and discuss the field and road conditions as well as weather forecast and make a final decision on the game status.
 - Decisions must be made allowing for a minimum timeframe for communication and travel of:
 - i. 3 hours for any LISA vs LISA game
 - ii. 5 hours for any UI Storm scheduled game
 - iii. 6 hours for any LISA vs UI Riptide game
 - ***If fields are open, roads are clear, there is no snow in the forecast and the threshold for minimum timeframe has been met, the game must proceed and parents/players are to be notified immediately.***

If any game must be cancelled:

1. Both team's officials are to notify their Club designate and, if you are the HOME team, ensure that all internal calls are made to notify the: Club Administrator, Club Referee Scheduler and Club Field Scheduler. **Please follow your club's internal protocol.**
2. Both team's officials to email cancellation notification to UISA Executive Director @ upperislandsocceroffice@gmail.com
3. UISA Executive Director to email those affected with further cancellation/rescheduling information, and update WCL website.

Please note:

- Coaches contact info is also on the WCL website on the Teams & Rosters menu. Filter to desired division and team.
- It is good practice for all teams to become familiar with their opposing teams websites to check for field closures.
- On the UISA website: uisa.ca - from the drop-down menus, choose "About UISA", then the "Members" page. Links to all Club websites are located here. All UISA Clubs have their field status on their home page.
- On the LISA website: www.lowerislandsoccer.com on the drop-down menu, click on "Clubs". Links to all Club websites are located on the "Member Clubs and Boundaries" page. All LISA Clubs have links to their field status on their home page.

Provincial Championships and Qualification

The West Coast Soccer League is a recognized as a qualifying competition for Youth BC Provincial A Cup. Teams

entering the West Coast Soccer League must declare their intent to play in the Provincial Cup prior to the BCSA mandated deadline declaration date of April 1st of each year and by entering, teams are committing to compete in the Provincial Cup Finals if they qualify through the WCL. BC Soccer Provincial Cup rules state: “Once a team commits to competing in an out of district competition, they are committed to Provincial Cup for that season. Teams that withdraw past that point will forfeit their entire performance bond and a hearing will be held to determine their cup eligibility for the following season.” The performance bond is \$1,000.

The rules governing qualification for Provincial Cup are available in the “Youth Provincial Championships Rules and Regulations” on the BC Soccer website.
